NEW SKIRT FOR 1864. HOOP SKIRTS. THE DUPLEX ELLIPTIC (OR DOUBLE) STEEL SPRING.

NO. 97 CHAMBERS ST. NEW-YORK,
the owners of the Patent and Exclusive Manufacture

are the owners of the Fatent and Exclusive Management of this

PATENTED "DUPLEX ELLIPTIC" STEEL SPRING SKIET.

This invention consists of Duplex (or two) Elliptic Steel Springs in generally braided lightly and firmly to ther, edge to edge, making the toughest, most chatte, disk in and duration spring even used, enabling the weater in consequence of its great classificity and distributes to piece and fold the sair when in the sacratic and with the same convenience as a silk or much dress. It emirely obviates and silences the only objections to Hoop Skitch, viz. the amongance to the weater as well as the public especially in crowded assemblies, carriages, railroad cars observed by a firm and occupying a small space; this entirely removes the difficulty, while giving the skit the tourst full and symmetrical form, and is the lightest and most stylish and graceful appearance for the street, opera promede or house dress. A lady having enjoyed the pinsure, comfort and great convenience of wearing the Duplex Elliptic Series Skit for a dayle day, will never afterward willingly ery part by far the lightest, more than the supplied conomical Skirt made. Merchants will be supplied to nominal Skirt made. Merchants will be supplied and ladies in most first-class retail stores in this city as aroughout the different States.
